Planting Seeds

The Parable of the Mustard Seed

³⁰ Again he said, "What shall we say the kingdom of God is like, or what parable shall we use to describe it? ³¹ It is like a mustard seed, which is the smallest of all seeds on earth. ³² Yet when planted, it grows and becomes the largest of all garden plants, with such big branches that the birds can perch in its shade."

³³ With many similar parables Jesus spoke the word to them, as much as they could understand. ³⁴ He did not say anything to them without using a parable. But when he was alone with his own disciples, he explained everything.

Mark 4:26-34

It takes a long time for seeds planted to bear fruit.

As is the nature of growing things, the fruit you enjoy this season will produce seeds that will also, in their time, bear fruit.

It takes a long time for seeds planted to bear fruit.

May the seeds you plant, however small or mighty, grow beautiful in its season.
